Thread Painting! Join Shawna Crawford as you venture into art quilting with a colorful photograph. You will choose fabrics to create the basic collage of the photo, then thread paint to create the details and beauty.

Kit includes background canvas died/painted and prepped for you to start working on, authorized use and needed prints of the photograph, fabric for collaging, and stretcher bars to finish the piece for mounting when done.

You will need to bring your sewing machine and general sewing supplies, an embroidery hoop, thread in a variety of colors (we'll bring some, too), fabric you would like to utilize in the collage, and your creativity!
